Dear Sirs

I have one of Your Hudson-Fulton medals in aluminum, and think it quite handsome.

Do You issue them in silver or bronze? if so please advise me where I could obtain them & the prices.

Yours Faithfully,

N. J. H. Edge,

Cashier.

Dear Sir:

Your favor of the 22d instant at hand. The Hudson-Fulton medal in bronze, four inches in diameter, can be obtained of the Whitehead & Hoag Co., Newark, N. J., for two dollars, the silver medal, three inches in diameter, is issued by this Society for its members only, and in other sizes by the Hudson-Fulton Commission, for its members and guests only, and is not for sale to the public.

Very truly yours

Secretary of the American Numismatic Society

Dear Sir,

Do you think it probable that your Society would care to donate a design for a medal commemorating the 250th Anniversary of the establishment of the first municipality in the State of New Jersey?

It is to be celebrated in October next, and I proposed to the Committee the idea of the medal which, I had been approved by them.

Kindly let me hear from you on the subject, and oblige

Yours truly,

Nelson J. K. Edge.

Mr. Nelson J. H. Edge,
94 Wayne Street,
Jersey City, N. J.

Dear Sir:

I am in receipt of your letter of March 7th, regarding the design of a medal to commemorate the 250th anniversary of the establishment of the first municipality in the state of New Jersey.

This Society does not make designs for medals, it does however, when requested, give the benefit of its experience in the selection of suitable and artistic designs, without charge, and when it approves the design of a medal it will allow its seal to be placed on such medal, as signifying such approval.

Very truly yours,

Secretary.
